

## **Royton & Crompton Patient Participation Group**

**Do you want to contribute to the continuous improvement of the Practice by**

- Offering a patient perspective on the service of the practice
- Enhancing communication between patients and practice staff
- Helping to ensure the Practice is responsive to patients' needs
- Providing a practical support and helping to implement change
- Acting as a critical friend

Are you available once every few months to meet with practice staff and to support events at the practice?

**If so please contact Geoff Evans— PPG Secretary at
